Dear Chair DeLauro and Ranking Member Granger:

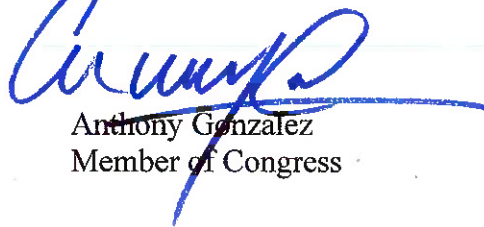

I am requesting funding for the Ridgewood Drive Bridge Project in FY 2023:

The entity to receive funding for this project is Cuyahoga County, Ohio, located at 2079 East 9th Street, Cleveland, Ohio 44115.

The funding would be used to replace the existing Ridgewood Drive Bridge over West Creek in Parma, Ohio. The project would be a valuable use of taxpayer funds because it will provide the residents, businesses, and other users a safer facility for traveling over West Creek.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez
Member of Congress
